About US

Innovative decorative Solutions
Global Manufacturing Excellence

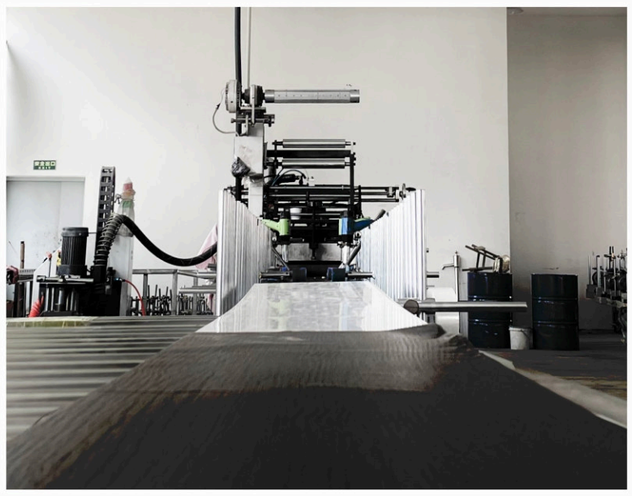

Established in 2010, as a more than 15-years professional decorative materials OEM/ODM supplier, Jinhua Huating Mingjia Decoration Materials Co.,Ltd. is a premier manufacturer recognized throughout China and across international markets. Our reputation has been earned through decades of product expertise and experience, service and passion. We believe in making our products phenomenal for our global consumers, retailers, wholesalers, building contractors, and the future, we can constantly strengthen and empower ourselves so that we can give you confidence.

We specialize in innovative, eco-friendly SPC wall panels, boards, mouldings, trims and accessories etc., which inspire beauty wherever life happens. Supported by talented designers and cutting-edge technology, we deliver one-stop high-performance decorative solutions for modern interior and architectural design globally.

Quality is our hallmark. Backed with 11 brand new modernized production lines and a holistic quality control system, we can always offer you uncompromising performance and quality. Beyond the walls of where we started, we are now heading towards with the full passion to make practical, innovative, unique, sustainable and healthy designs for every inch of the space.

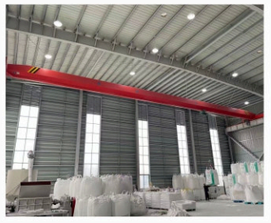

All our products are CE Certified and comply with strict EU Environmental Standards, having passed rigorous testing for: French A+ Certification, Class B Fire Retardant, Zero Formaldehyde Release, and Free Heavy Metals Migration. We are committed to bringing a healthier and happier life with our innovative wall panels to people all around the world.

Upholding the philosophy "Bounded Wall with Unbounded Border", we are devoted to creating healthy, sustainable and aesthetic space solutions. We look forward to building long-term partnerships with oversea customers and sincerely welcome global cooperation!
